December 30, 2020

Greetings, **PeerGalaxy Stakeholders**:

My name is Lynn Jones and I am with the **PeerGalaxy Survey Team** assisting Laura Rose with the launching of the **PeerGalaxy Year-End Survey**.

We need your voice to help continue, inform, and shape the **PeerGalaxy Portal and Platform** moving forward as a responsive and valuable online experience with its offerings of peer support, recovery, wellness activities, resources and much more.

We want to learn from you how **PeerGalaxy** and the **PeerGalaxy Calendar** are working for you.

We also have a few questions about your experience with transitions of services and support to online offerings during the COVID-19 Pandemic. We welcome suggestions for improvement and near the end of the survey, we invite you to join us for a report-out and planning discussion in early 2021.

By our estimates, this survey will likely take less than 10 minutes to complete.

We request your response at the earliest opportunity as we seek to compile results after midnight Friday, January 8th, 2020. Thank you, in advance, for your timely participation and input!

Please feel free to share the **PeerGalaxy Year-End Survey Link** and/or this email with your network(s) so we can get as many rich responses as possible.

Survey results will be compiled and reported out in aggregate summary without identifying information at our next **PeerGalaxy Planning and Discussion** session with stakeholders to be scheduled in the near future.

The **PeerGalaxy Survey Team** extends warm wishes to you and yours for a Happy New Year!

Warm Regards,

Lynn Jones
